- Lever can be positioned up or down
- Lever shaft has an O-ring to prevent leakage
- Zinc-plated for corrosion protection

## Part No.

**28431-06**

*Anti-Leak Shift Lever*

## PART SUMMARY

Sonnax now offers an anti-leak shift lever for the Powerglide. Sonnax shift lever **28431-06** uses an o-ring on the shaft to prevent leakage from the case. The lever will work with all the common competition shifters available and is zinc-plated to prevent it from rusting.
