FD-O-21

Piston Seal (Solid)

Prepackaged Quantity: 25 Units

Sonnax now offers torque converter rebuilders a direct OEM replacement solid piston seal **FD-O-21** for the late Ford 5R55N/S/W torque converters. An expansion tool is recommended to install this seal on to the turbine hub. **FD-O-21** now replaces the previously available **FD-O-14** seal.
